Minor Modes, Major Fun

Level—Advanced Beginner

Tuning—DAC

Explore and enjoy the minor modes of Aeolian and Dorian with 5 fun tunes.

Creative Harmonies

Level—Intermediate to Advanced

Tuning—DAD

Using a simple melody, we'll examine various ways to arrange a harmony part for a duet or ensemble.

Playing From the Heart

Level—Intermediate

Tuning—DAD

Music evokes emotion, but only if the musician plays from the heart. Learn how to put the mood into your playing. We'll work with a simple tune and learn various techniques and tricks to elevate the expressiveness in your playing.

"Barre" Essentials for the Left Hand

Level—Intermediate

Tuning—DAD

Everything you need to develop your left hand is a good start with fingering a barre chord. We'll examine several chord shapes as well as the barre chord and learn a "mystery" tune that surprisingly puts it all into practice. Chord charts provided.
